

40 DAYS FOR LIFE®

LifeFirst invites you to the **40 Days for Life Kickoff Rally** for the spring vigil, which runs from February 22 to April 2.

In post-Dobbs America, it's as important as ever to be present outside abortion facilities, praying and providing tangible help. Women are still going there, seeking information about out-of-state abortion.

Guest speaker, Michael Radvansky, carried the burden of a mutual decision to abort his child. As a young man, he bought into the societal lie that abortion was the best option, not realizing he'd be left with a wound that time alone wouldn't heal. Through the advice of a friend, he sought Christ-centered counseling that freed him from decades of shame.

Michael's story demonstrates the restorative power that men *and* women find through post-abortive healing. This campaign, as we pray for the unborn, let's remember *all* the lives devastated by this tragic decision.
