Planned Parenthood: Grooming Children with Sex Ed

With the reversal of Roe, the push for nationwide comprehensive sex ed is intensifying. Comprehensive sex ed is put forth as a solution to unplanned pregnancies and abortion. Planned Parenthood is at the forefront of these efforts.

Our guest speaker, Yvette Monroy, will give an insider's view into Planned Parenthood's sex education program and how it grooms youth and teens for sexually promiscuous lifestyles and for abortion.

Yvette worked for Planned Parenthood both as a volunteer and paid staff member. She taught thousands of students, normalizing early sexual behaviors, gender dysphoria, and abortion.

After encountering the Lord, Yvette surrendered her life to serve in full-time ministry. She's now dedicated to being a pro-life voice and positive influence.

Don't miss this critical meeting! With the mounting pressure to adopt comprehensive sex ed programs, we must each be equipped with the facts and be prepared to speak up.
